

2021 Blacktoft Beacon Online St George's Activity Day

We couldn't bear to go another year without our annual St George's Activity Day, so this year we are taking it online! You won't need to wear as many layers as you do at the racecourse but you can still pick and choose the activities you want to do.

This year's event will take place on **Sunday 25th April 2021** via a series of Zoom calls.

Here's our plan for the morning:

10:00am	Opening	Led by members of the District Team
10:30am	Activity 1	You choose the 2 activities that you would like to do.
11:30am	Activity 2	
12:00pm	Closing	Join us to renew your promise.

There are 6 activities to choose from, with each one lasting about 30 minutes, giving you time to clear up and get ready before the next one starts.

1. Bricktopia LEGO Session

Mark and Debbie are a big hit every year and if you have enjoyed their sessions throughout lockdown, you'll enjoy this one too!

2. Learn the promise in sign language

We will then show what we have learnt whilst renewing our promises at the closing ceremony.

3. Draw your own Dragon

Join illustrator Liz Million as she shows you how to draw dragons, knights and castles and more!

4. Friendship Knot

Learn how to tie a friendship knot in your necker.

5. Pancakes

This year you don't need to stand in the queue for this always popular base, you can join in and do it from your own kitchen!

6. Taskmaster

Take part in a series of challenges using objects from around your house. The Taskmaster will judge each entry and the winner will be the one with the most points!

Each activity will be run via a separate Zoom call and parents/carers will be emailed the links to these closer to the date. You will also be sent a list of any equipment/ingredients you may need to complete the activity.

Parents and carers should sign their young people to the event by completing this [Online Form](#).

On here you will fill in some basic details and then select the 2 activities that you want to complete, so we can send you the correct links and passwords.

We are also looking for young people to help us lead the renewal of promises at the closing ceremony. All they will need to do is read out the words of the promise for everyone to join in with, from the comfort of your own home. You will need a device with a camera and microphone to do this.

We hope lots of our young people, adult volunteers, parents and carers can join us for the day!
